

# TORLYS ENVIQUE LAMINATE

## Beauty. Defined.

One of the most advanced laminates, Envique offers realism at its best – truly innovative and dramatic.

Lineage Oak  
QS-IMUS1853

### ENVIQUE LAMINATE

The beauty of the Envique collection is in the details - luxurious planks specially crafted for those with a designer's eye. Distinctive floors capture attention with effects such as dramatic textured graining, charred marks to sandblasted or naturally weathered looks. Advanced technology allows the Envique collection to be absolutely stunning - in a class all its own.

## TORLYS

### smart floors

Starts Beautiful, Stays Beautiful

#### ENVIQUE LAMINATE

**Envique offers striking looks ranging from seared pine, modern concrete to vintage hardwood in unique textures and details.**

1/2" (thickness) x 7-1/2" (width) x 54-11/32" (length)

12 mm (thickness) x 190 mm (width) x 1380 mm (length)

#### The Look

Luxurious planks featuring authentic looks with surface colour design that rolls over the edges.

#### The Feel

#### The Details

Rolled bevel edges  
Ultra-realistic 12 mm planks

TORLYS Peace Of Mind Rating

by SCS Certified

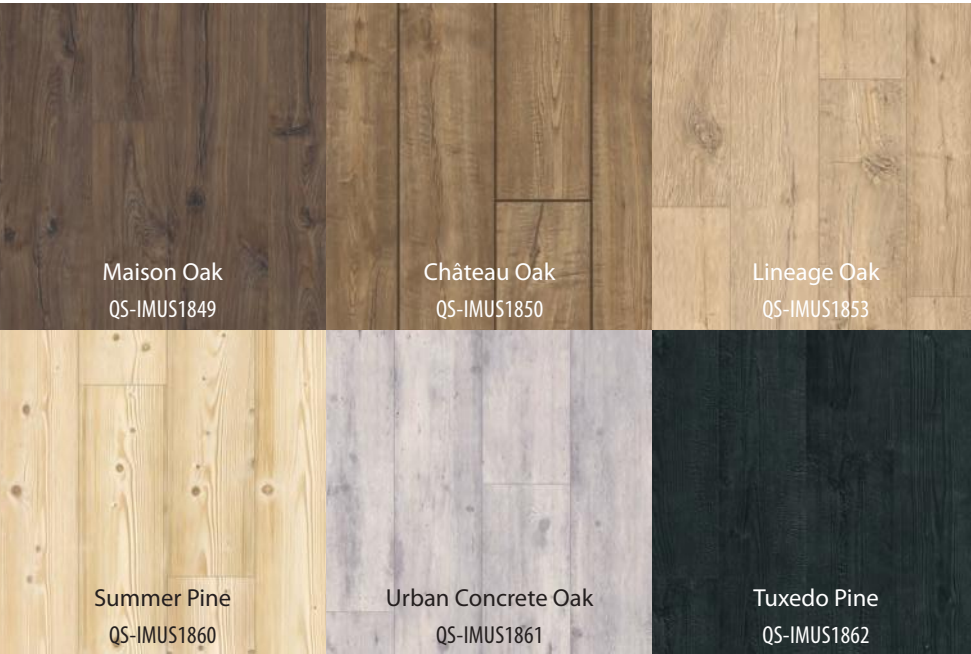

LEED®

TORLYS Smart Floors can assist in acquiring LEED® certification for most building projects. Please visit [www.torlys.com/builder/leed/leed-guide/](http://www.torlys.com/builder/leed/leed-guide/)

## ENVIQUE Laminate Flooring

### TORLYS PEACE OF MIND ASSURANCE WARRANTY

**TORLYS Envique Laminate has a 35-Year Residential Wear, Water, Stain and Fade Warranty and a Lifetime Structural and Joint Integrity Warranty for residential use. A 7-Year Limited Wear, Stain and Fade and Structural and Joint Integrity Warranty applies to light commercial applications. See [www.torlys.com/builder](http://www.torlys.com/builder) for details.**

TORLYS is a member of the Canada Green Building Council, an association dedicated to the design and construction of green buildings in Canada.

These TORLYS Laminate Floors have earned the North American Laminate Flooring Association (NALFA) Certification Seal by passing a series of rigorous tests designed to evaluate the floor's performance, durability, strength and overall quality. You can be assured that you're getting the best quality the industry has to offer.

#### WHY SMART LAMINATE?

Superior performance is built in to every TORLYS Smart Floor:

- A transparent overlay of extremely wear resistant melamine resin and aluminum oxide that is warranted for up to 35 years.
- Patented Uniclic® Joint resists ugly gapping when 30-60% humidity is maintained. No other joint outperforms TORLYS Uniclic® Joint.
- Move It and Re-use It—every TORLYS floor can be disassembled and re-used in another room or home.

#### STARTS BEAUTIFUL, STAYS BEAUTIFUL

TORLYS Envique Laminate is a stunning floor created with minimal environmental impact. TORLYS Smart Laminate is easy to install and maintain, and designed for long lasting beauty.

#### SMARTER USE OF NATURAL RESOURCES

Do more with less — TORLYS Laminate Floors are made in Europe and North America. North American produced Laminate floors contain no less than 74% recycled and fast growing softwood from managed forests for its high density Smart Core.

#### AC RATING: AC4

Flooring is fit for commercial operations with standard amounts of foot traffic such as a small shop or office.

#### AC RATING: AC3\*

Flooring is durable enough for general home use in all traffic areas, and can be used in a professional setting with light foot traffic.

#### SMART UNICLIC® JOINT TECHNOLOGY

TORLYS Smart Uniclic® Joint Technology has one of the strongest possible joints in flooring today. Constant lower lip pressure creates the tightest joint and is tested to withstand extraordinary joint stress —more than 1,000 lbs of pressure per linear yard is needed to pull apart two TORLYS planks. The joint is also milled to 1/1000 of an inch for the most exacting fit.

#### HEALTHY HOME

TORLYS Envique Laminate is CARB 2 (California Air Resources Board) compliant and meets the Healthy Home requirements set by the European (E1) and California Dept. of Public Health Services Standard Practice for The Testing of Volatile Organic Emissions from Various Sources Using Small-Scale Environmental Chambers, referred to as California Section 01350.

#### TORLYS BULLDOG™ EASY PLANK REPLACER

TORLYS Bulldog™ Easy Plank Replacer allows you to replace a damaged plank, not your entire floor. No glue. No nails. No staining. You can fix major mishaps quickly and easily, and renew your floor without sanding or refinishing.

\* QS-IMUS1860 and QS-IMUS1861 are AC3. All other Envique products are AC4.
